BACKGROUND DISCUSSION:

On June 11, 2014, the City Council approved the Cooperative Agreement between the Utah Department of Transportation and the City of West Jordan for the SR-48 (7800 South) and 9000 South Road Transfer Evaluation Study (Agreement). The City has a contract with Horrocks Engineers Inc. to conduct the Study in accordance with Utah State Code.

UDOT has requested that the Agreement be amended to remove the detailed outline of the proposed road transfer. The amendment will remove the following:

9000 South

*City Transfers to UDOT 5600 West

*UDOT transfers to the City New Bingham Highway, Bangerter to 5600 West and a small portion of 5600 West to the City

7800 South

*City transfers to UDOT Bangerter Highway to SR111

*UDOT transfers to the City New Bingham Highway, Bangerter to 5600 West and a small portion of 5600 West.

The deletion of the detailed scope does not change the obligation of the City to produce a study or the obligation of UDOT to contribute. The amount of the contribution remains clear and is unaffected by the deletion of the detail.
